Providing Electricity and Tap Water Facility to Savalgi village

287. Sri K. P. NADA GOUDA (Mudhol).—

Will the Chief Minister be pleased to state:—

(*a*) the date on which the Savalgi Village in Jamkhandi Taluk was electrified and tap water facility was provided ;

(*b*) the reasons for not providing electricity and tap water facilities to the Rural Family Planning Unit and dispensary at Savalgi ?

Sri VEERENDRA PATIL (Chief Minister):—

(*a*) The village was electrified on 1-1-1969 and the scheme for water supply was commissioned during 1968.

(*b*) Requisition for arranging Power supply to the building has not been received by the Mysore State Electricity Board and the internal wiring work is yet to be completed.

There is already a stand post in the compound of the dispensary but tap connections are not given as water cannot reach all its rooms for want of pressure since the supply of water to the village is by gravitation from the Tank.
